**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been an exceptional partner for me and the entire Bay area. Broadband is very critical to our area- please do not listen to AT&T who brings expensive, low quality service to customers. This would be very bad for all customers if the act went through to support "the big boys." I don't want higher cost of internet!
